<Music intro>.

Good evening. Now it's time for the weather news for tomorrow.

In Hokkaido and Tohoku it is going to snow all day.

In Kanto and Chubu areas there will be rain in the morning but by the afternoon it will stop, and there will be clear skies.

Kinki, Chugoku and Shikoku can also expect rain in the morning. The rain will continue in the afternoon and it will also become windy.

The Kyushu region will be windy and rainy all day. The wind will become very strong in the afternoon especially in Kagoshima. Please take care if you go outside in Kyushu today.

Okinawa will be sunny all day.

That's all for the weather news. Thank you and have a nice evening.
